To

The Firms dealing in pressed Steel Tanks.

Enquiry No. 2139.

PRESSED STEEL TANK REQUIRED IN CONNECTION WITH FIG CULTIVATION AT GANJAM.

GENTLEMEN,

Please be good enough to intimate your best prices and the earliest time of delivery for the materials described below:—

One Pressed Steel Tank of 16′×12′×8′ *Tank.*—The tank should consist of steel plates each 4 feet square the thickness of the bottom and the lower half of the side plates being ¼″ and upper half of the side plates being 3/16″. The tank should be provided with ⅛″ thick mild steel plate covering supported on angle iron rafters with necessary slopes and a manhole about 21″ dia. A dust proof manhole cover with necessary locking arrangement should also be provided for. The tank should have suitable stays inside. A steel ladder to get into the tank from the manhole should be included with necessary fixtures.

A suitable level indicator with necessary pulleys, float and pointer, etc., complete, should be provided for with necessary guage board.

Sufficient quantity of jointing materials, bolts and nuts with washers, etc., should be sent to enable the erection of the same at site.

The tank should be painted with a coat of red-oxide paint before despatch.

The price to be quoted should be for delivery f.o.r., Seringapatam. It should be distinctly understood that the acceptance by us of your quotation will be subject to the following conditions:—

Withdrawal from the quotation after it is accepted or failure to make the supply within the specified time or according to specifications will entail cancellations of the order and purchases being made at your expense from other sources in addition to the levy of a penalty of 3 per cent of the value of the order as and by way of liquidated damages. In such an event, the Stores Purchase Committee reserve the right to remove your name from the list of approved firms.

The quotations should be superscribed "Quotations for Pressed Steel Tank required in connection with the Fig Cultivation at Ganjam" with the above enquiry number.

This enquiry will be closed on the 28th February 1937.

No. S. P. C. 1454-8, *dated 4th February* 1937.
